Notes to the accounts:

1. New subscription system started in 2008 – Direct Debit only
2. Sponsorship from industry - will be used to support annual meeting
3. Council expenses increased – reflecting size of Council and number of meetings
4. Birmingham float paid late – therefore reflected in 2008 accounts (not 2007)
5. Float no longer paid to organisers of annual meeting. Instead, upfront costs directly paid by Society.
6. New ‘Conference’ account created in 2008.
